

Texas ALR Hearing Request

Print the next page. Then fill out the information requested.

Now, as for the three checkboxes. If you are 21 years of age or older, ignore the third checkbox.

When you got out of jail, the jailer who gave you your stuff back should have also given you a few sheets of paper. One says "Statutory Warning" at the top and should indicate that you agreed to provide a specimen of your breath or blood or that you refused to do so. Another says "Notice of Suspension" at the top, and should indicate whether you agreed to provide a specimen, that you refused, or that they didn't ask you to provide a specimen (this only happens with minors who are not arrested for DWI).

Now, sometimes the officer filled the forms out wrong. Even if he got it wrong and said that you refused to provide a specimen when you agreed to, fill out the form below to say the same thing the officer said.

Otherwise, DPS will refuse to give you a hearing.

You may notice that your signature may be missing. That's probably because the officer didn't ask you to sign it.

Now that you've filled out the form, fax it in to 512-424-2650.
